BaZing Fuel

Earn rewards with BaZing Fuel to save at the gas pump. Get 10 cents per gallon just for activating and earn monthly rewards when you do the required debit card purchases from your BaZing checking account each month. Transactions must post and settle during each Monthly Qualification Cycle (MQC), which is defined as the first day of the month through the last day of the month. Also receive bonus rewards when the required number of additional transaction count is met. If the required monthly reward transaction count is not met during the MQC, no transactions are counted for any reward during that MQC or the bonus reward. Earned monthly and bonus rewards are applied and eligible for redemption the first day of the month following the MQC. Redeem BaZing Fuel at participating Shell Stations. BaZing Fuel is limited to 20 gallons of fuel per purchase. Once you begin to dispense fuel using your BaZing Fuel, you must dispense to the 20-gallon limit or you forfeit any remaining rewards for the other gallons. Other restrictions may apply. Review the full terms and conditions before activating BaZing Fuel in the mobile app.
